Philadelphia, Pa.

Sir!

Yours of Sept. 5th was duly received after it has been forwarded twice, to Eckhart, Wis. and to Richmond, Ill. I left here immediately and called at The Express Office at Spring Grove, Ill. which represents The United States Express Co. The only one at that place, to see if your Package of Coins were there or not, but to my surprise there was not anything there sent in the line of Coins, I have called 3 times since by telephone, but all in vain, as that I have made up my mind, that you did not send the Coins by U. S. Exp. as requested. Please let me know, by which Express Co. you have forwarded the Coins, as that I know, where to inquire for.

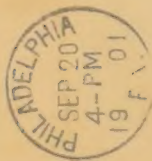

The American Express Co. has no connection
here, as the whole Chicago, Milwaukee &
St. Paul ^{Railway} system uses the United States
Express Co. and the Chicago & Northwestern
Railway uses the American Express Co.
We have the American Express Co. at Richmond
Ill. If you should have sent the Package
by the American Exp. Co. please find out
to which place it is billed to and
if convenient for me I will go there
that is, if it is not too expensive in
going after it. I rather wished you
had the Coins forwarded to the State Bank
of Elkhorn, Wis. and not C.T.D. from
your payment for them by this time
probably, as I give the Cashier orders, anything
what is sent from your house to pay for
same if satisfactory, if not to make return
within 10 days. Hoping to hear from
you soon, I remain
